

Mere Brow C.E Primary

PE & Sport Premium Strategy 2017-2018

What is the Primary School PE & Sport Premium?

For the four school academic years 2013-2014, 2014-2015 and 2015-2016 the government has allocated extra funding to all primary schools to improve Physical Education (PE) and Sport so that they develop pupils' healthy lifestyles. This has been continued into the 2016-2017 financial year.

What should it be used for? Schools may choose how they use the funding, for example to:

- Hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- Support and involve the least active children, talented children and children who do not have the opportunity to attend clubs, by running after-school sports clubs
- Provide resources and training courses in PE and sport for teachers
- Offer children new sporting experiences.

How we will make sure these improvements are sustainable?

- Teachers will be expected to observe sports coaches / sports partnership experts in order to develop their skills at least once a term.
- The PE subject leader will monitor PE sessions at least once a year or team teach with individual staff to develop their skills.

In 2017-2018 We will receive £16,360 for the PE and Sport Premium.

How are we going to spend it ?

Project	Cost	Pupils involved	Expected Impact	Provider
Staff will attend CPD sessions delivered by the sports partnership e.g. Dance	Part of Partnership agreement £4920	KS1	Improved knowledge & skills in teaching PE through staff training (twilight sessions & in lessons)	West Lancs. Schools partnership
