

What a wonderful show the Year 2 to Year 6 performed on Tuesday and Wednesday , well done to everyone involved and our super year 6 for their final performance at Mere Brow CE.

Next week in assemblies we have some special visitors coming in to talk about the Library Reading Challenge and the Youth Club at Hesketh Bank Christian Centre.

Year Six parents/ carers have been invited to lunch next Thursday , we need to know if you are coming and what you would like to eat.

Also that evening we will be gathering with those families for a picnic , we will hear the Year six memories and give them their gifts from School.

This coming Friday our wonderful FOMBS PTA team have organised a Schools Out event see the poster in this newsletter and online and in the display outside for more details. There might be a chance to soak your Head teacher, children must be accompanied at this as it is after school , thank you.

On our final two days we have two special worships where we will be saying goodbye to staff and Year Six children, we can only fit in one guest per family and two guests for Y6 children as we have to accommodate all the children and some special visitors. We will let your know if your child is receiving a shine award on Monday 21st July soon. See below in diary for more details.

Recently we had our transition morning so children have met their new teachers, the classes will be as follows:

Hedgehogs Mrs Taylor and Mrs McCreavy– Nursery, Reception and Year 1

Squirrels Mrs Helliwell—Years two, three and four

Foxes Miss Rowe and Mrs Houghton Years five and six

Support staff will remain the same in each class with Mrs Derbyshire replacing Mrs Nightingale and Mrs McIntyre joining us to support. All teachers are very experienced in mixed age teaching and cohorts are less than 25 and equal in balance.
